

PURCHASING CONTRACTS AND POLICIES

Adobe Software

The University of Arkansas has entered into an Enterprise Long Term Agreement (ETLA) with Adobe. The ETLA allows all faculty and staff access to the Creative Cloud Suite and use in computer labs across campus. Student license and Work from Home licenses are available for purchase at discounted rates.

Adobe Creative Cloud is available to faculty and staff at no charge. See the following link for further information: <http://news.uark.edu/articles/39171/adobe-creative-cloud-now-available-to-faculty-and-staff-at-no-charge>

To obtain or request your Adobe license, refer to IT's [Adobe Creative Cloud](#) or [Software Support](#) sites. For all other questions related to departmental billing, login, installation, licensing or any additional assistance, contact the [IT Services Help Desk](#) (or 575-2905) or adobe@uark.edu.

NOTE: Any software licensing agreement or contract that requires a signature must be sent to your Procurement Coordinator in Procurement for review and acceptance of terms before a purchase takes place.
