

U of A Membership Justification Form

The University is under no obligation to pay for memberships required to hold a position of employment. However, the University may elect to pay certain membership fees when there is a justified need that provides a benefit to the University. Individual membership fees can be considered for payment in cases when the University will clearly benefit from the membership, and one or more of the following criteria prevail. Please reference [University of Arkansas Memorandum 350.1](#), for details. Memorandum 350.1 is also listed on the Pcard webpage, pcard.uark.edu. Please complete this justification form and submit it with your Pcard receipt. Failure to do so will result in a Pcard violation.
